Welcome to PRS KOREA 2023

PRS KOREA 2023, the 81st annual congress of Korean Society of Plastic and Reconstructive Surgeons, is an international conference on aesthetic and reconstructive plastic surgery, and will be held (in-person) on November 10th - 12th, 2023 at the Grand Intercontinental Seoul Parnas, in Seoul, Korea.

PRS KOREA is one of the largest plastic surgery conferences in Asia, and we were delighted to host more than 1,500 plastic surgeons and especially more than 450 international faculties and surgeons from over 40 countries during PRS KOREA 2022.

We would be more than happy to have you with us at this year's meeting and lead to further advances in aesthetic and reconstructive plastic surgery.
